

March 20, 2024

TO: INTERESTED PARTIES

FROM: BOB DICKINSON, DIRECTOR
TRANSPORTATION & ENVIRONMENTAL RESOURCES DIVISION

SUBJECT: HOUSEHOLD HAZARDOUS WASTE AND SCRAP TIRE COLLECTION EVENT

The South East Texas Regional Planning Commission is hosting a Household Hazardous Waste and Scrap Tire Collection Event, Saturday, May 4, 2024, from 8 a.m. to 1 p.m. in the Silsbee High School parking lot located at 1575 Highway 96 N. in Silsbee.

During this event, the SETRPC collects items that could cause damage to your health or the environment if they are disposed of improperly. Some of the items include paints, cleaners, antifreeze, car batteries, used oil, insecticides, swimming pool chemicals, and many others. For a complete list of acceptable materials, call Bob Dickinson at (409) 899-8444 ext. 7520.

Starting this year, a **cash disposal fee of \$3.00** is required for **each tire (limit 20)**. Tires over 20" or on rims will not be accepted. SETRPC will **limit** the amount of paint collected to **ten(10) 1-gallon paint cans** and **two(2) 5-gallon paint cans**.

This event will be publicized through news releases, flyers, and newspaper advertisements in the Beaumont Enterprise and other area newspapers. Television commercials on local stations will be broadcast.

The Household Hazardous Waste and Scrap Tire Collection event is a program of the South East Texas Regional Planning Commission and the Texas Commission on Environmental Quality.

FOR IMMEDIATE RELEASE

Household Hazardous Waste and Scrap Tire Collection Event

On Saturday, May 4, 2024, from 8 a.m. to 1 p.m., the South East Texas Regional Planning Commission (SETRPC) will host a Household Hazardous Waste and Scrap Tire Collection Event. The event will be held in the Silsbee High School parking lot at 1575 Highway 96 N. in Silsbee, Texas. The event is open to all southeast Texas households; therefore, businesses are not eligible to participate.

During this event, the SETRPC collects items that could pose health and environmental risks if disposed of improperly. According to Bob Dickinson, Director of Transportation and Environmental Resources Division, "The average home can accumulate 100 pounds of hazardous waste in a garage or in the cabinets at home. It's imperative that Southeast Texans take a proactive approach in properly disposing these items not only to protect their own health but the quality of life in our region."

Starting this year, a cash disposal fee of \$3.00 is required for each tire (limit 20). Tires over 20" or on rims will not be accepted. SETRPC will limit the amount of paint collected to 10 1-gallon paint cans and 2 5-gallon paint cans. Materials not accepted during this event include electronics, appliances, oversized tires, explosives, ammunition, garbage, scrap metal, mercury, smoke detectors, exit signs, medical waste and medications/pharmaceuticals.

The SETRPC will accept household hazardous items including cleaners, antifreeze, car batteries, used oil, insecticides, swimming pool chemicals, and much more. "It's not acceptable to throw batteries, paint, or other hazardous waste in a trash can. Once these items get to the landfill, they release pollutants which contribute to poor air quality. Southeast Texans are encouraged to do their part to protect the health of their neighbors and the environment by properly disposing of their hazardous waste during this collection event," says Shanna Burke, SETRPC Executive Director.

For more information about items accepted during this event call 409 899-8444 ext. 7520.

The HHW event is a program of the SETRPC through a grant provided by the Texas Commission on Environmental Quality.
