## **Hardin County Prepares for Possible Impacts from Tropical Storm Imelda**

[Kountze, Texas] -- The Hardin County Office of Emergency Management has increased its activation level to *'Level III – Increased Readiness'* effective as of 8:00AM today. We are closely monitoring weather conditions throughout the County and Region, and remain vigilant to support the needs of local jurisdictions responding to any need of the public associated with Tropical Storm Imelda.

If anyone needs sandbags, we will have bags and sand available at each of the following Hardin County Road & Bridge Departments and Fire Stations:

R&B 1 -- 1290 Hwy 327 West, Silsbee	(409) 385-5501
R&B 2 -- 1315 North Pine Street, Kountze	(409) 246-3972
R&B 3 -- 13745 FM 787, Saratoga	(936) 274-5411
R&B 4 -- 100 Southland Drive, Lumberton	(409) 755-4584
Hardin County ESD 2 -- (Lumberton Fire Station #2) 8890 Keith Rd, Lumberton	
Hardin County ESD 5 -- (Pinewood Fire Station) 333 Commercial Dr, Sour Lake	

\*Please bring a shovel and be prepared to fill your own sandbags.
